DETAILED ACTION

Claim Objections

1. Claims 1-8 are objected to because of the following informalities:

In claim 1, the phrase "the same" on line 8 makes the claim unclear as what is being considered as the same. Appropriate correction is required.

Allowable Subject Matter

2. Claims 1-8 are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter: claims are allowable over the prior art at least for the reason that the prior art does not teach or reasonably suggest the two sealing covers mounted to the two open lateral sides to seal as set forth in the claimed combination.

Trehub discloses housing including a bottom seat, wherein the mirror is mounted thereon (Fig. 1, 20), a first tube and a second tube (see Fig. 1), however, there is no teaching of two sealing covers that seal two lateral sides.

Conclusion

Art Unit: 2872

4. This application is in condition for allowance except for the following formal matters:

See objection as set forth above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
